ANNEXURE-A TO TCN-08**JOB:Erection, Testing and Commissioning of Air Cooled Condenser (ACC) with Associated Auxiliary System etc. for unit # 1, 2 & 3 of 3x660 MW North
Karanpura STPP, Jharkhand.****TENDER NO - PSER:SCT:NKP-M1883:18.****CLARIFICATION**

Sl. No	Reference clause of tender document	Existing Provision	Bidder's Query	BHEL's Clarification
1	TCN: 06, Point No. 7,	Successful completion of PG Test for each of the unit # 1, 2 & 3 will be considered as final readiness of the respective unit as regard applicability of Guarantee clause vide TCC cl. No. 52.2 of Vol-IF	We have witnessed several cases where it took years to perform PG test even after successful commissioning & handover of unit. Correlating commencement of Guarantee period with PG Test does not seem justified. It should be linked with successful Trial run of the unit. Kindly consider.	BHEL's clarification against this query (Sl. no. 2 of Annexure-A to TCN-07) shall be revised/modified as follows: Responsibility of any executing agency gets completed only after completion of PG test and therefore clarification as given vide TCN-06 will hold good. However, if it is found that PG test is getting delayed beyond the reasonable time even after successful completion of system commissioning and Trial run, "Trial Run of the Unit" will be considered as Final readiness of the unit for reckoning the application of Guarantee Clause. Decision of Site Construction Manager will be considered as Final in this regard .
2	TCC Clause No. 46.3, Page 42 of 59	The actual date of start of work of each unit will be certified by BHEL site in charge/CM after adequate mobilization of manpower, T & P by contractor. This certificate date will be deemed as start of work of respective units at site for purpose of the contract time schedule.	We understand from the existing clause that even if all three units are a part of single contract and single LOI shall be issued, however, all three units will have separate start date, separate completion date. Further, Over run compensation & PVC shall also be calculated unit wise. ORC Limit of Rs. 1 lac to 5 Lacs per month due to rate revision shall be applicable unit wise and the for the whole contract as a whole. Kindly confirm.	BHEL's clarification against this query (Sl. no. 3 of Annexure-A to TCN-07) shall be revised/modified as follows: PVC & ORC shall be applicable, during extended period of the contract (if any), after 24 months from commencement of work as per tender.
